It is heartening to apprise you all that the school has initiated the "**RFID Cards for Attendance**" for all the students from LKG to std. - XII. For the safety and security of your beloved children, you all are further requested to keep a close watch on the messages (received or not) on daily basis to monitor your ward(s) attendance.

This is for your kind information and necessary compliance, at your end. Your cooperation, in this regard, is highly solicited.

Note:-

- (1) No such message will reach to the registered mobile number if your ward remains absent from the school on a particular day.
- (2) Change of registered mobile number at any instant will be accepted, subject to the fulfillment of the required conditions along with requisite charges.
