HOLIDAY ASSIGNMENT

SESSION (2025 2026)

CLASS - IV

Everything you don't know is something you can learn!

It's not about perfection, it's about effort.

When you bring that effort every single day,

That's when transformation happens.

Excellence is not being the best; it is doing your best.

Childhood is a crucial stage of development. Most of life's important lessons are learnt here! Let us join hands and make sincere efforts to augment and hone the learning process of the child through inculcation of self learning and keen observation. Let us attempt to enable them by allowing them to assume responsibilities of the routine household and shopping chores.(e.g.: laying the table, serving the guests, making their beds, buying groceries from the nearby stores etc.)

Let us make them aware about their social responsibilities which will transform them into a responsible citizen of our society. (e.g.: keeping the surroundings clean, make use of public litter bins, switching off lights / fans / closing the taps properly etc.)They should be taught how to connect with Almighty God through prayers and meditation. (e.g.: daily prayers, thought of the day, meditate to improve the concentration etc.)Socialize and connect with people, neighbours and relatives. (e.g.: meeting & greeting neighbours, helping the elderly around, be friendly to the peers etc.)We wish all the great for your summer holiday time. May all the pleasure in the world embrace you, let your fun endless With friends and family.
